# Three convenient ways to place an order.

Choose the way that works best for you:

## #1

### Online:

The fastest and easiest way to order 24/7 is to visit **cv.s.com/otchs/clover**.

Online orders must be submitted by 11:59 pm EST to be processed the same day.

### How to place an order through our website:

#### 1. Create an account

- If it is your first time placing an order online, you will need to create an account by visiting **cv.s.com/otchs/clover**.
  - Then, select the “Create Account” button and follow the instructions.
  - You will need your **Clover Health member ID, date of birth, ZIP code, and current email address**.
  - You will also need to create a password.
- If you need help locating your member ID, select “Get help locating your member ID.”
- Remember to save your password for future orders. You will need your member ID number or email address along with your password to sign in again.
- If you forget your password, select the “Forgot Password?” button to create a new one.

#### 2. Place an order

- Once you sign in, your benefit amount and balance will be displayed at the top of the page.
- Browse through the available products and add to your basket. Your order total will automatically deduct from your balance at the top of the page.
- Once you are ready to place your order, select “Checkout.”
- On the Checkout page, confirm your shipping address, review your order, and place your order. Your item(s) will arrive within 14 days.
- You will receive an email with tracking information once your order has shipped and another email once your order has been delivered.

**Reminder:** Orders for each benefit period must be placed by 11:59 pm EST of the last day of the period.

**Return Policy:** Due to the personal nature of the products, no returns or exchanges are allowed. If you haven't received your order or if you received a defective or damaged item, please call OTC Health Solutions within 30 days of placing your order.

If your item is not in stock, an item of similar or greater value may be substituted in your order.

## #2

### By phone:

Orders can be placed by calling **1-888-628-2770 (TTY 711)**. You can speak to a live agent Monday through Friday, from 9 am to 8 pm local time. You can also order 24/7 via our automated IVR system. Please have your Clover member ID and order ready when placing your order by phone.

### How to place an order by phone (IVR system):

1. Call OTC Health Solutions (OTCHS) using the phone number on file.
2. Once the system locates your account you will be asked to input your date of birth in MMDD format.
3. The account authentication process will start and the system will verify the name and address on the account.
4. Once the ordering process begins, you may order 15 items or less.
5. Please introduce the numerical portion of the item code.
  - **Example:** If you would like to order item “B33 unscented wipes,” you will select “33” and wait for the prompt to confirm the item. Once the system locates the item, it will read back the product name and quantity and ask if the selection is correct.
  - If yes, the system will add the item to your cart.
  - If no, the system will provide an option to edit the product or the quantity.
6. Once the order is completed, you will have the choice to review the items in the cart or submit the order.
  - If you submit the order without review, the system will provide a confirmation number and the call will be disconnected.
  - If you want to review your order, the system will allow you to edit the items, start over, submit the order, or speak with a representative.

**Note:** Should you choose to speak to a representative, your items will not be saved and you will have to restart your order.

**Return Policy:** Due to the personal nature of the products, no returns or exchanges are allowed. If you haven't received your order or if you received a defective or damaged item, please call OTC Health Solutions within 30 days of placing your order.

If your item is not in stock, an item of similar or greater value may be substituted in your order.

You can also order by phone at **1-888-628-2770 (TTY 711)** or online at **cv.com/otchs/clover**. You can opt in to receive tracking information via email or text; simply advise an agent when placing your order over the phone. For online orders, an email will be sent with this information. For IVR orders, you can speak to a live agent to get this information or register online to receive it via email.

## Frequently asked questions:

### **What options are available when an item I request is out of stock?**

Upon request, our agents are happy to assist you to identify substitute products when those exist. These are called “dual-purpose items” which are marked with a “◆”. Please speak with your doctor before ordering these types of items, including when you are considering a substitute.

### **Where can I get additional information about the products?**

In this catalog you will find SKU numbers that can be used at CVS.com® to search for product images and obtain additional product information, such as ingredients.
